AGENDA ITEM: Committee Delegation of Authority

Review **Review + Action** **Action** **Discussion**

This is a report required by Board policy.

PRESENTERS: Jason Langworthy, Associate Secretary

PURPOSE & KEY POINTS

The purpose of this item is for the committee to review proposed amendments to two Board of Regents Policies – *Board Operations and Agenda Guidelines* and *Reservation and Delegation of Authority*. The proposed amendments would delegate authority to the Finance & Operations Committee and the Mission Fulfillment Committee to act on behalf of the Board. The changes are the result of a desire expressed by Regents to avoid replicating votes when committees of all 12 Regents have previously reviewed and voted on an item.

The Finance & Operations and Mission Fulfillment are committees of all 12 Regents. When a decision is made by one of those committees – even though all 12 Regents are members of the committee and engaged in the decision – the item is recommended to the Board and must be subsequently voted on again by the Board at the Friday meeting. The proposed amendments would delegate authority to Finance & Operations and Mission Fulfillment to act on behalf of the Board directly without needing to recommend action to the Board.

The areas that would be delegated to the committee are currently defined as areas where the committees provide recommendations to the Board. For Finance & Operations, those are:

- appointments reserved to the Board as defined by Board of Regents Policy: *Reservation and Delegation of Authority* Article I, Section IV.
- budgetary, financial, and investment matters reserved to the Board as defined by Board of Regents Policy: *Reservation and Delegation of Authority* Article I, Section VII.
- property, facilities, and capital budgets reserved to the Board as defined by Board of Regents Policy: *Reservation and Delegation of Authority* Article I, Section VIII.
- employment and labor relations matters reserved to the Board as defined by Board of Regents Policy: *Reservation and Delegation of Authority* Article I, Section XI.

For Mission Fulfillment, those are:

- academic matters reserved to the Board as defined by Board of Regents Policy: *Reservation and Delegation of Authority* Article I, Section V.

The proposed amendments to each policy are included in the docket materials.

BOARD OF REGENTS POLICY: *Board Operations and Agenda Guidelines*

SECTION I. SCOPE.

This policy governs the Board's operations, committee structure, and agenda guidelines.

SECTION II. GUIDING PRINCIPLES.

The Board of Regents (Board), created under the Minnesota Territorial Laws of 1851 by the passage of the University charter and perpetuated by the Constitution of the State of Minnesota, is the governing body of the University. The Board, guided by the constitution and laws of the state:

- holds itself accountable to the public for accomplishing the mission of the University;
- meets openly, in the spirit of the Minnesota Open Meeting Law;
- fosters communication with the citizens of Minnesota, its elected representatives, and the University community; and
- works with the president to create a relationship characterized by trust and openness.

SECTION III. BOARD BUSINESS.

Subd. 1. Governing Documents.

Board exercises its authority consistent with the University Charter, the Constitution of the State of Minnesota, the *Bylaws of the Board of Regents (Bylaws)*, and relevant Board policies. These documents provide the basic framework for the conduct of the business of the Board.

Subd. 2. Board Business.

The Board conducts business through meetings of the Board and its committees. Items placed on the Board agenda have the most fundamental importance and broad policy implications for the University. The following items are required to come to the Board:

- (a) Fundamental planning documents, including:
 - Systemwide Strategic Plan - The Systemwide Strategic Plan articulates and reinforces the mission and vision of the University; identifies University priorities and goals; and establishes a framework to guide University decision-making. The plan includes goals articulated through the University Progress Card and establishes a framework for the University's operating and capital budgets.

- University Performance and Accountability Report - The University Performance and Accountability Report publicly demonstrates the University's accountability for progress in reaching its stated goals and objectives; links planning, performance evaluation, and resource allocation at the system and campus/college level; illustrates and analyzes longitudinal trends in key areas; provides a means for comparisons with peer institutions; and identifies areas for continued work. The report includes progress made in achieving the goals articulated in the University Progress Card.
 - Annual Operating Budget - The annual operating budget sets forth the operating requirements and authorizations for financing the activities of the University. The budget includes all funds (revenues and expenditures), all campuses, and all programs of the University. It incorporates historical background and projections. It is based on the framework established by the Systemwide Strategic Plan. The president recommends to the Board the annual operating budget in successive meetings.
 - Capital Budget - The capital budget has two parts. Part I is the six-year capital plan, which is updated annually and identifies capital projects, as defined by Board of Regents Policy: *Reservation and Delegation of Authority* Article I, Section VIII, Subd. 6, that are approved to proceed with preliminary project planning, but not authorized to proceed with design and construction. Part II is the annual capital improvement budget, which authorizes the completion of design and construction of projects, as defined by Board of Regents Policy: *Reservation and Delegation of Authority* Article I, Section VIII, Subd. 7, that have approved financing. The framework established by the Systemwide Strategic Plan and approved campus master plans guide both parts of the capital budget. The president recommends to the Board both parts of the capital budget in successive meetings.
- (b) Legislative funding requests, including the biennial budget request and the capital request.
- (c) Reports on federal and legislative relations and issues.
- (d) Reports submitted to the State of Minnesota as defined by Board of Regents Policy: *Reservation and Delegation of Authority* Article I, Section I, Subd. 7.
- (e) Annual summary of expenditures for the Office of the President, Eastcliff, and the Office of the Board of Regents (OBR).
- (f) Gifts.
- (g) Other reports, including, but not limited to, reports of the Faculty Consultative Committee, the University of Minnesota Foundation, the University of Minnesota Alumni Association, and the Student Representatives to the Board.
- (h) Additional items as decided by the Board chair in consultation with the president and Board vice chair.

At the Board chair's discretion, any of these items may be referred for discussion in committee.

SECTION IV. COMMITTEES OF THE BOARD.

Subd. 1. Role of the Committees.

Committees provide recommendations for action by the Board. Typically, standing committees have the following responsibilities:

- recommend action on matters where the Board has reserved authority to itself as outlined in Board of Regents Policy: *Reservation and Delegation of Authority* and other Board policies;

The senior leader committee liaison consults with committee chairs prior to committee meetings regarding background issues for committee agendas.

Subd. 3. Committee Descriptions.

Standing, nominating, and special committees meet on a varying schedule set through the agenda development process. These committees, specific committee responsibilities, and required agenda items are listed below. As stated in the *Bylaws*, the Board chair has the authority to name and identify the responsibilities of all committees. Any changes in committee structure are to be noted in this policy.

Subd. 4. Audit & Compliance Committee Charter.

The Audit & Compliance Committee shall approve all engagements of external audit firms to perform work or provide services with a value greater than \$100,000 or that may impair the audit firm's independence regarding the University. Such impairment of independence is currently limited to prohibited non-audit services as defined in (a) of this section. Engagements not requiring approval by the Board shall be reported to the committee at the next scheduled meeting of the committee.

AGENDA ITEM: Board Committee Structure: Context and Principles to Guide Discussion

Review **Review + Action** **Action** **Discussion**

This is a report required by Board policy.

PRESENTERS: Brian Steeves, Executive Director & Corporate Secretary
Jason Langworthy, Associate Secretary

PURPOSE & KEY POINTS

The purpose of this item is for the committee to begin a series of discussions focused on the Board’s committee structure. Based on these conversations, potential changes to the committee structure will be proposed and considered by the committee and the Board. This initial discussion will provide context for the Board’s current committee structure and consider principles to guide future discussions.

Current Structure

The Board’s current committee structure was approved in June 2017. It was the culmination of multiple conversations by the Governance & Policy Committee, which used the following objectives to guide and define the new structure:

- Enhance opportunities for the Board to focus collectively on consequential issues.
- Reduce information asymmetry.
- Promote greater Board cohesion.
- Increase transparency and public access to the Board’s work.

The resulting structure resulted in the following key changes:

1. Established two omnibus committees of all 12 Regents – Mission Fulfillment and Finance & Operations.
 - The Mission Fulfillment Committee replaced the Academic & Student Affairs Committee and added meeting time for engagement on a broader number of academic, research, and outreach issues. Faculty promotion and tenure and continuous appointments were also assigned to this committee.
 - The Finance & Operations Committee combined the Finance Committee, Facilities, Planning & Operations Committee, and the Faculty & Staff Affairs Committee. The realignment eliminated the need for duplicate presentations and better aligned with the then new administrative structure established by then-President Eric Kaler.

- The omnibus committees began meeting in the Boardroom – a step to enhance transparency by allowing more of the Board’s work to be video livestreamed and archived.
 - Since only one committee would meet at a time, neither administrators nor the public would need to go back and forth between committees.
 - Establishing these committees of 12 Regents was aimed at dramatically reducing information asymmetry and compartmentalized knowledge, while creating shared understanding and enabling holistic discussions.
2. The Governance & Policy Committee was formally established as a standing committee of the Board, with a membership of 12 Regents. Previously it was a special committee of 6 Regents initially established in 2015.
 3. The new structure maintained the Audit & Compliance Committee and the Litigation Review Committee as is, with 6 Regents each.

After Board approval in June 2017, committee charges were discussed over the course of the next year and adopted in June 2018. They are contained in Board of Regents Policy: *Board Operations and Agenda Guidelines*.

Principles to Guide Discussion

The committee will provide input to help shape principles to guide the direction of future discussions for the Board’s committee structure. To help facilitate the discussion, the committee will use following questions as a starting point:

- What works well with the current meeting and committee structure?
- What is challenging about the current meeting and committee structure?
- Are there agenda topics or areas of interest that are missing from meetings?
- Are there principles from the last review that still resonate and should guide this review?
